Good Roads Plan of the Association

A bond issue of \$12,000,000.00 supplementing Federal Aid and other State funds available for highway construction to cover the two year fiscal period of 1922-3 and 1923-4, will be adopted by the Virginia Good Roads Association before the General Assembly of 1922.

The Executive Committee of the Association in session in Appomattox, Va., a careful canvass of the State's needs and business conditions was made before the representative assembly throughout the State.

The committee concluded the conviction of the members of the committee present that there exists a very pressing need for the construction of connected State highways as rapidly as any can be constructed.

The committee of opinion that it is to be unwise to consider any increase in the general taxes to provide additional funds required, particularly in view of the fact that bonds can be issued by capitalizing the present income without an increase.

Instead of asking the Legislature of 1922 for a large bond issue sufficient with current revenues to construct the entire State system, it was deemed advisable to ask only for a sufficient amount of bonds to take care of the construction program for a two year period, depending on the results obtained during this period and the budget of the highway department for expenditure for the next two years to prompt the Legislature of 1924 and its successors to complete the program as authorized by the Virginia Good Roads Association.

The Executive Committee also went on record as favoring the placing of whatever additional bonds the General Assembly may find advisable to issue around the issue of the bonds, their revenue.

Resolved That it is the policy of the Executive Committee of Appomattox County, that the nomination of a candidate for the House of Delegates to represent Appomattox county, be nominated by a primary election, to be held on the 2nd day of August, 1921, when the State primary election is held.

Resolved Further That all candidates for the nomination to the office of member of the House of Delegates from Appomattox county are hereby notified to file their names of candidacy, according to law, with the County Chairman, on or before noon, of June 1st, 1921.

By order of the committee, I. F. Ferguson, Co. Chairman, Attest: C. W. Smith, Secy.

Buckingham

Harvest will come unusually early this year, indeed the crop looks like it is turning now. Farmers are cutting some rye for hay and night poor hay it is, but coming in early as it doesn't is better than nothing.

Veals have gone still lower. I shipped one that netted me \$18 last week at 10 cents a pound but the top for this week is ten cents.

Mothers Beverly T. Moss and John H. Moss were recent visitors at the home of their mother here.

Miss Ella Chandon has been quite ill at the home of Mr. and Mrs. A. C. Garrett, but she is lots better now.

The people near the Old Bonduant place where Dr. Lee Bonduant lived are getting up an entertainment for the benefit of the building fund for James River school district.

Professor Henry C. Groves and Supt. John A. Twyman have returned from a trip to Richmond.

The closing exercises of the high school will come off on Monday and Tuesday May 30 and 31st. Dr. Lacy will preach the baccalaureate sermon in the Baptist church at 8 o'clock Sunday night May 29th.

The Methodist had children's day exercises on last Sunday evening.

Mr. and Mrs. Charlie Wood of Wingina, visited here Sunday.

School trustees of the county are called to meet here this week and compare their school accounts with those of the treasurer.

Farmers Meeting

A very enthusiastic meeting of the Tobacco Growers Association of Appomattox was held in the C. H. Saturday, May 21st, 250 members were present.

Mr. Southern Farrar, farmer and district demonstration agent, of Bucksville, Va. Among the points stressed by Mr. Farrar was the necessity of a curtailment of the present crop by all farmers whether a member of the association or not. Resolutions endorsing the work of W. H. Bryne were adopted and will be printed next week.

Godsey and Foster Dead

Other Southside News

It is with a heart full of sympathy we are called upon to chronicle the sad death of our highly esteemed citizen, Mr. C. H. Godsey near Chap, which occurred last Sunday.

He had been confined to his room about ten days, but had been a great sufferer of heart trouble for some time and took it all so patiently. All of his children were summoned to his bedside about a week ago, but had returned home when the end came, hoping he would soon recover. His wife and daughter, Mrs. W. F. Nash, preceded him to the grave about four years ago. He now leaves two sons, Mr. Ed. Godsey, of Roanoke, Mr. C. R. Godsey, of N. C., and one daughter, Mrs. R. Scott, of Charlotte county and several grand children to mourn their loss. He was an old Confederate soldier in the 80th year of his age. His remains were laid to rest Tuesday in the family square at Central Baptist church cemetery. This good man will be greatly missed by the whole community.

Our sympathy goes out to the children of Mr. T. L. Foster who died at his home in Campbell Co. last week. He had been in bad health some time. These children first lost their mother a few years ago, then their only brother and since now their sister Ruth, and now the father is gone. May the Lord bless Cora and Mary in their bereavement. If you remember these three girls at a Sunday's ago.

FOREST VIEW.

Mr. and Mrs. J. A. Martin spent the week-end with the latter's parents, Mr. and Mrs. A. S. Woodbridge.

The farmers are busy preparing for another crop of tobacco and some have planted some of the wheat in injured by the past cold weather and some is looking very good.

Mr. Hal Clark, of Pamplin, and Miss Rachel Hunter, of Spout Spring, Mr. Allen Hunter and Miss Estelle Thomas, of Spout Spring, were at the home of Mr. R. W. Martin a few Sundays ago.
